

TAMILARASU S

DATA SCIENCE AND ANALYST

 7603930301

 Salem, Tamil Nadu

 tamilarasut58@gmail.com

ABOUT ME

Motivated Data Science graduate with hands-on experience in academic and project-based applications of Python, SQL, Machine Learning, and visualization tools. Completed projects in predictive modeling, exploratory data analysis, and dashboard development. Strong problem-solving and critical-thinking abilities with a passion for turning raw data into meaningful insights. Looking for a Data Analyst/Data Science position to utilize technical skills and grow within a dynamic team.
